

QUALITY POLICY AND OBJECTIVES

K-LINE INSULATORS LIMITED is committed to providing Clients high quality products and on-time delivery at the lowest possible life cycle cost of ownership, resulting in a high level of Customer Satisfaction. We will achieve this through various means available to KLI, including the formation of strategic partnerships with both critical Suppliers and Clients. We will exceed our Clients expectations by empowering our employees and management to practice **risk management**, continuous improvement and innovation of our products, technical support and solutions, processes and the company itself while ensuring compliance with statutory and regulatory requirements.
